

## REMARKS

Applicants amended claim 30 to incorporate the language from claim 29, from which claim 30 originally depended. In particular, Applicants incorporated the language “comprising administering to a subject in need thereof an effective amount of a compound of claim 1” at the end of claim 30. This amendment was discussed and approved by Examiner Taofiq A. Solola in an informal telephone conference on November 10, 2010.

Applicants also amended claims 30 and 31 to recite “A method...” rather than “The method”.

No change in scope of the disclosure is intended or introduced by these amendments, and none of the amendments constitute new matter.

Applicants invite the Examiner to contact the Applicants’ undersigned representative at (312) 913-0001, if the Examiner believes that a discussion would expedite prosecution of this application.
